8:36

This is in line with the disincentive of this class to finally eradicate poverty as then it can no longer appear benevolent by distributing private goods and announcing welfare schemes. So quite unusually for an Indian political party Kerala left democratic front has signaled the need for administrative reforms. And going by the news reports it has chosen the right man to head the proposed commission. He may not have sparkled as Chief Minister but it is clear where his heart lies. He had had the nerve to publicly remind the civil service that they were servants of the people. Politicians rarely read the act to the bureaucracy as they rely on it to further their personal interests. While its absolutely essential following the triumphalism that
